Errors are as follows:

In claim 1, last line, the number "0.02" should be deleted and replaced with --0.2--. Evidence of this error can be found in the Examiner's amendment accompanying the Notice of Allowance.

In claim 7, second line, the word "about" should be followed by --2800 to about--. Evidence of this error can be found in originally filed claim 7, which has not been amended.

In claim 8, second line, after "glass" insert --article has an emittance less than--. Evidence of this error can be found in originally filed claim 9, which was renumbered as claim 8, and was only amended in the Examiner's amendment to depend from claim 1. Otherwise, this claim was not amended.

In claim 25, line 12, "(Illuminate C)" should be deleted and replaced with --(Illuminant C)--. Evidence of this error can be found in originally filed claim 26, which was not amended until the Examiner's amendment accompanying the Notice of Allowance.

In claim 25, line 14, "substitute" should be replaced with --substrate--. Evidence of this error can be found in originally filed claim 26, which was not amended until the Examiner's amendment accompanying the Notice of Allowance.

In claim 25, last line, --about-- should be inserted before "0.2". Evidence of this error can be found in the Examiner's amendment accompanying the Notice of Allowance.

As all of the above errors have been made during printing by the USPTO, it is respectfully submitted that no fee is required for the correction of these errors.

In view of the above remarks, please issue a "Certificate of Correction" evidencing these corrections of the above patent.

Respectfully submitted,
